

shop for good in-store or online with Kendra Scott!

Our Kendra Gives Back program is to help fundraising efforts by offering 20% of all proceeds from designated shopping events this year at Kendra Scott Village Pointe.

Kendra Scott also has a virtual platform that allows us to reach communities that might not have the chance to shop locally. By hosting a virtual event online, we will set up a custom code for your audience to shop our website, with 20% of all proceeds benefiting United Way. Your code would be live for two days.

Your business would choose a 2 hour time frame for your supporters to come and shop our collections. We will create all the marketing for you to use for social media, email blasts and internal portals as well. All that we ask of you is to provide a full two weeks of promotions through your promotional platforms.

Thank you for joining forces with us to give back to United Way and those in need. For more questions please reach out to Katie Morlan at katie.morlan@kendrascott.com

A handwritten signature in black ink that reads "Kendra Scott". The signature is fluid and cursive, with the first letters of "K" and "S" being significantly larger and more stylized than the rest of the letters.
