

THANK YOU

WORKING TOGETHER FOR A STRONGER COMMUNITY

Thanks to the generosity and support of the Omaha-Council Bluffs metro, more than **\$40.6 million** was raised through campaigns and programs this fiscal year to help those who need it most.

As we celebrate 100 years of giving back to our community, we are grateful to our donors, corporate and government partners, family foundations, campaign leadership, the United Way of the Midlands Board of Directors and people like **YOU** who made this possible.

With your belief and trust in what we do, United Way of the Midlands is able to invest in our community through more than 150 local nonprofit programs and direct services. These investments address social and economic disparities, meet community members' essential needs and help our neighbors overcome difficult challenges to start building a brighter future.

2022 TOP 100 CAMPAIGNS

United Way of the Midlands would like to extend our sincerest thanks to **Tim and Terri Burke** for serving as our 2022 Campaign Chairs, and to our Campaign Cabinet members – **Kim Arnold, Stephen Bruckner, Jon Doyle, Matt Dwyer, Kelli Eickhoff, Drew Fossum, Dr. Harris Frankel, Eric Johnson, Rob Maglinger, Scott Moore, Rob Reed and Jack Struyk**. Thanks to their leadership, we surpassed **Mr. Warren Buffett's** Tocqueville Membership Challenge – reaching 403 members and increasing his generous match of United Way of the Midlands' campaign. We are truly grateful to Mr. Buffett, as this remarkable achievement resulted in thousands of additional dollars being invested in our community.
