UNITED WAY
of the Midlands

United Way of the Midlands' Go Fore the Green golf tournament is a great way to give back to our community while also enjoying a day on the golf course. Dollars raised from Go Fore the Green support UWM's Community Care Fund and positively impact the lives of thousands in the Omaha-Council Bluffs metro by helping UWM provide: a car seat and training for a young parent, 16-sessions of group counseling for an individual, two complete home remediation projects to keep families in a healthy home, weekend food for a family of four and so much more!
