

Tocqueville Society members lead with purpose and care, making generous annual gifts of \$10,000 or more to strengthen our community. Together, these investments can create opportunities that even reach further thanks to a percentage match from Mr. Warren Buffett. When you make your gift, you can feel confident knowing we will protect your privacy and will not share your personal information. Thank you for your leadership and your trust in United Way of the Midlands to steward your investment with integrity and impact.
