

UNITED WAY OF THE MIDLANDS BRIDGEBUILDER SOCIETY

A FOUNDATION FOR GOOD

Established in 1989, the Bridgebuilder Society recognizes individuals and families making annual gifts of \$1,000 to \$9,999. Rooted in the spirit of connection and action, these contributions help fill critical gaps and strengthen the systems that support our community across four impact areas.

MAKE YOUR GIFT GO FURTHER

- Align giving with the areas of greatest need and most impactful programs
- Support hundreds of trusted programs with one strategic gift
- Connect a range of services at a scale no single program could reach alone
- Stand out as a local philanthropist and inspire others with your care for community
- Receive a tax advantage while supporting causes you care about
