

EMERGING LEADERS

CONNECT • SERVE • LEAD

BRINGING PHILANTHROPY TO LIFE

With an annual gift of \$250 or more, Emerging Leaders brings together early to mid-career professionals who are passionate about growing their careers, expanding their networks and making a meaningful difference in our community.

As an Emerging Leader, you'll connect with peers who share your commitment to giving back while gaining new perspectives, building valuable relationships and strengthening your leadership skills. Invest in your community. Invest in yourself.

Whether you're looking to expand your professional network, build leadership skills or become more involved in the community, Emerging Leaders provides meaningful opportunities like this and more.

- **Grow your professional network** with invites to exclusive events
- **Gain insight** into issues shaping our community
- **Serve alongside other professionals** at volunteer experiences throughout the year
- **Build leadership skills** through unique professional development opportunities
- **Celebrate your involvement** with member-exclusive graphics, recognition tools and resources to share your impact
- **Represent your company with pride**
